Professional Background

Yaasmin has more than 12 years of experience as a neuro physiotherapist. Throughout her career, Yaasmin assessed and rehabilitated clients with a diverse range of complex conditions, including physical, mental health, cognitive and sensory impairments. As part of her roles Yaasmin was accountable for reviewing and analysing supporting evidence from other medical experts, producing clear, accurate and detailed reports and mentoring colleagues to ensure adherence to quality standards.

Within her previous role as a Senior Neuro Physiotherapist at Holy Cross Hospital, Yaasmin led the end-to-end assessment and treatment of patients with complex neurological disabilities. This involved utilising a wide range of assessment techniques, creating both physiotherapy and hydrotherapy treatment plans, producing reports, supervising, and training junior staff and collaborating with the multi-disciplinary teams. She also treated respiratory patients, utilising chest physiotherapy and cough assist techniques and provided posture management training.

Earlier in her career, Yaasmin worked as a Neuro Physiotherapist at both BUPA Wingham Court and Holy Cross Hospital. During this time, her duties included managing the planning and execution of holistic and evidence-based individual and group treatment programmes, evaluating patient progress, discharge planning, producing reports and maintaining clinical records and documentation. Yaasmin is renowned for her proactive, empathetic and diplomatic approach and is adept in managing both the physical and emotional demands of clients.
